

**Transportation University**  
 NDTA-USTRANSCOM Fall Meeting

St. Louis Union Station  
 31 Oct – 2 Nov, 2016

**Title:** Developing Future DoD Logistics Civilian Leaders So They Can Successfully Lead During Times Of Uncertainty

**Abstract:** Senior leaders from USCENTCOM, Office of the Secretary of Defense, Center for Joint & Strategic Logistics, Air Force Headquarters A4, and the Defense Security Cooperation Agency (DSCA) will discuss grooming civilian logisticians of the future.

Learn how logisticians must be trained and groomed to operate in this new environment. As the enemy and threats change, logistics practices must adapt to support the warfighter's new roles and requirements.

NOTE: This class is designed at the following experience level for this topic – introductory
