Title: USTRANSCOM Acquisition Tips

Abstract:

Note: This class is designed for all experience levels.

This course is intended for industry participants to identify where and how to look for opportunities to do business with USTRANSCOM and provide acquisition tips on proposal preparation. Whether you are a small business or large business, there are numerous opportunities and we will show you how to find them. We will also provide proposal tips based on feedback and lessons learned from USTRANCOM acquisitions. Participants will be able to identify where to go to look for opportunities followed by a question and answer session.
